MIRACLE WASH™

Waterless Wash & Polish

Miracle Wash Waterless Wash & Polish: the neatest, easiest and most effective way to clean vehicles.

Just two easy steps – spray and wipe – leaves vehicles with a fantastic shine and a super tough protective finish. The true miracle is that it can all be done with only a can of Miracle Wash and a cloth – no soap, no water.

The active ingredients in the Miracle Wash formula are surfactants. These specialized chemicals not only lift the dirt off the surface of the vehicle; they also hold it in suspension while the vehicle is wiped clean. Throughout the process, Miracle Wash acts as a protective barrier between the dirt particles and the surface, protecting the finish from abrasion. But Miracle Wash does more than just clean. Its specialized anti-static agents repel dust and light dirt, maintaining the vehicle's brilliant shine long after washing is finished. Miracle Wash also protects against the damaging effects of the sun's ultraviolet rays.

MIRACLE WASH

Waterless Wash & Polish

Miracle Wash Has People Talking

"Miracle Wash is fun to use, extremely effective, and, best of all, very economical."

L.M., Salisbury, Maryland

"It leaves a much deeper, more mirror-like shine than the other leading products. It almost looks wet!"

M.K., North Babylon, New York

"I used it on my daughter's expensive tuba. The instrument has never had such a slick finish... with no fingerprints and no scratches."

G.K., San Antonio, Texas

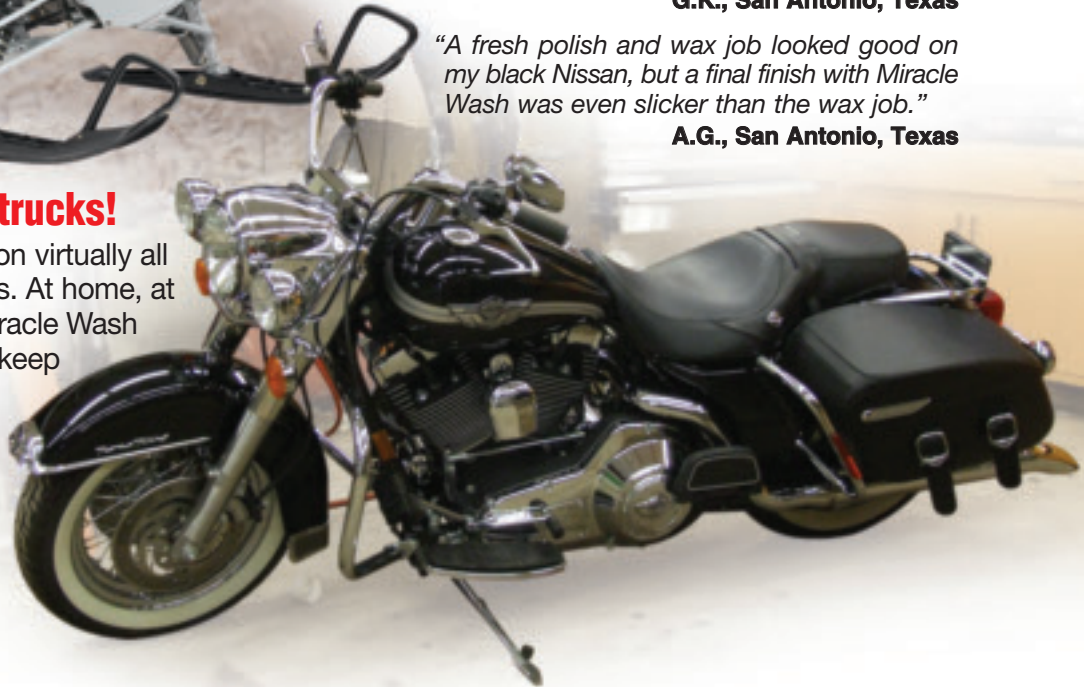

"A fresh polish and wax job looked good on my black Nissan, but a final finish with Miracle Wash was even slicker than the wax job."

A.G., San Antonio, Texas

It's not just for cars and trucks!

Miracle Wash is highly effective on virtually all non-porous and painted surfaces. At home, at work or in the shop, BriteSide Miracle Wash is the only product necessary to keep surfaces looking clean and new.
